

Mini Workshops

Place and Time

Mini-workshops will be held at the premises of the Department of Geology and the Museum of Sciences and Technology in the campus of the University of Patras. The preliminary program (below) covers the dates 15-16 October, 2022, i.e., the weekend before the conference. However, a minimum number of 15 participants is a prerequisite for any workshop to be included in the GSG2022 final program. If for certain workshops this number is not reached, the initial program will be compressed toward the 16th of October.

Participation

Attendance of mini-workshop(s) is covered by the conference registration fee. However, students/colleagues that wish to attend any mini-workshop will have to **register to the conference and complete the mini-workshop specific registration form(s) (provided below) before August 25, 2022**

Preliminary Program*

Saturday, October 15:

09:00-13:30	Geology in Everyday Life (Museum of Sciences and Technology) Registration Form: https://forms.gle/BFvUJdQ2w2eTs9BS6
14:30-19:00	THE GEOHERITAGE OF PLANET PETRO: Methods of promoting geological awareness and a “cutting-edge” Geoheritage outlook (Department of Geology, Lecture Room) Registration Form: https://forms.gle/ah2fivdhMULVYfug9
	Current trends and future perspectives of Machine Learning applications in Geoscience and Engineering (Department of Geology, Computer Center – max 20 participants**) Registration Form: https://forms.gle/5TPhFG3smLYfqZ6c9

Sunday, October 16:

09:00-13:30	Ionian Islands: A rapidly deformed area (I) (Department of Geology, Lecture Room) Registration Form: https://forms.gle/nwfHLdVPhA1c2NmU7
	Raw Materials in Education and Society (Department of Geology, Computer Center – max 20 participants) Registration Form: https://forms.gle/A3tXAmPsRvKryij38
14:30-19:00	Ionian Islands: A rapidly deformed area (II) (Department of Geology, Lecture Room) Registration Form: provided in part (I) – no separate registration required
	Laboratory chemical methods for assessing environmental and health risks of Potentially Toxic Elements in earth materials (Department of Geology, Computer Center – max 20 participants) Registration Form: https://forms.gle/EFSikWdfBPHasMEw5

* The final program will be announced by September 10, 2022

**First-come-first-served selection procedure
